

5th CECAPFI INTERNATIONAL CONGRESS OF PHILOSOPHICAL PRACTICES

*"Plurality of philosophical practices to the art of living,
teaching and learning".*

**18 to 21 November
Oaxtepec, México**

Dear colleagues,

Greetings.

We hereby have the pleasure of sending you this CALL to participate in the **5th CECAPFI INTERNATIONAL CONGRESS OF PHILOSOPHICAL PRACTICES** "*Plurality of philosophical practices to the art of living, teaching and learning*".

International Congresses of CECAPFI are spaces for the academic and experiential exchange in relation to the philosophical practices. In them, our exhibitors present theoretically and applied new trends in philosophical practice, show their chances of integration in education, consulting, workshops, in organizations and in daily life. Also our events are characterized by a human style and with coexistence, activities and permanent exchange with all the attendees and speakers.

Next we will detail various data and information about the event.
